

**THE AREA WHERE YOU LIVE, TELLS YOUR STORY - MAKE IT UNIQUE**

## INVESTMENT DESIGN

EuroCasa JHB is a leader in top-of-the-range Italian-designed furniture, wardrobes and kitchens throughout South Africa and Africa.

Since 1998, EuroCasa JHB has been refining its expertise in design and product development from the time of its inception, bringing with it a heritage of knowledge and skill which is captured in each exclusive project. The intimate timeless elegance, as well as each individual client's vision is highly appreciated by top South African architects and designers. After focusing solely on the South African market in previous years, EuroCasa JHB is beginning to establish a presence within neighbouring countries and in to Africa as a whole.

All of our products are imported from Italy, using classic Italian design flair to offer an exclusive range of products, including furnishings, wardrobes and kitchens. Our services include full design & production of technical drawings, layouts, installation of all products and site management during the process.
